

Unit 2a, Manor Farm Business Park, Higham Gobion, SG5 3HR

FROM THE A1 TRAVELLING SOUTH:

Leave A1 at junction 10 and stay on the A507 (sign posted Ampthill) until the roundabout at Clophill. Turn left onto the A6 heading for Luton, and at Barton le Clay roundabout turn left (1st exit), signposted to Shillington and Higham Gobion. Travel for one and a half miles, and after climbing a short hill with sharp bends, Manor Farm Business Park is the first turning on the left (100 metres before the church). Follow the driveway down to the right and take the second left 'turn', driving past parked cars on the left into a gravel car park ahead. The lab is the first unit (Unit 2a) on the left.

FROM THE A1 TRAVELLING NORTH:

Leave A1 at junction 8, heading towards Hitchin on the A602 (1st exit). Coming into Hitchin, follow signs to Luton initially, through a major roundabout taking the 3rd exit, along a 50 mph road to a mini-roundabout, taking the first exit, until the next mini-roundabout, then take the right hand fork/exit onto the B655 to Barton le Clay. Just after the end of the 40 mph limit, take the first right turn (on a staggered crossroads) signposted Pirton. Follow this road. There are three left turns on sharp corners in short succession – take each left turn. Out of Pirton down the hill, and left at the T junction. Follow this road to Shillington, where you take the next left at a T junction. Out of Shillington, round a very sharp left bend, follow this road, climbing up a hill on the top of which is Manor Farm Business Park. Take the first right after the church into Manor Farm Business Park. Follow the driveway down to the right and take the second left 'turn', driving past parked cars on the left into a gravel car park ahead. The lab is the first unit (Unit 2a) on the left.

FROM THE M1:

Leave at junction 12, and head towards Flitwick at the top of the slip road: turning left (if heading south) or right over the bridge (if heading north). Take the second exit on the roundabout (after the garden centre on the right) sign posted Harlington Station, Harlington. At the crossroads, go straight over, round four sharp bends past the church on your right. Follow signs to Sharpenhoe and Barton le Clay. Coming into Barton le Clay over the A6, turn left at the mini roundabout, go straight on (2nd exit) over the next roundabout, then at the next roundabout, take the 3rd exit, signposted to Shillington and Higham Gobion. Travel for one and a half miles, and after climbing a short hill with sharp bends, Manor Farm Business Park is the first turning on the left (100 metres before the church). Follow the driveway down to the right and take the second left 'turn', driving past parked cars on the left into a gravel car park ahead. The lab is the first unit (Unit 2a) on the left.
